React Router · Axios · Formik · Yup · React Hooks · npm · Tailwind UI · Firebase (basics)

Ahmed Samer Ahmed Megahed

Junior Front-End Developer | React Developer

Passionate front-end developer with a strong foundation in modern web technologies. I enjoy building responsive, user-friendly web applications and turning ideas into real products. Eager to join a professional team and grow my skills in a challenging environment.

Projects

E-Commerce Store

GitHub

A modern and responsive e-commerce web application with product listing, cart, and authentication. Built with React, TypeScript and Tailwind CSS. Uses Fake Store API for data.

React · TypeScript · Tailwind CSS · Axios · React Router

Task Manager

GitHub

A simple and clean task management app to add, edit, delete and filter tasks. Implemented with React, TypeScript and local storage for data persistence.

React · TypeScript · Tailwind CSS · LocalStorage

Portfolio Website

GitHub

A personal portfolio website to showcase my skills and projects with a modern UI/UX and smooth animations. Built using React, TypeScript and Tailwind CSS.

React · TypeScript · Tailwind CSS · Framer Motion

Education

Zagazig University

2026

Bachelor of Information Technology

Zagazig, Egypt
